Sustainability at Aldiana Club Fuerteventura

Our Aldiana Club Fuerteventura is continually working to improve the impact we have on people and places.
We are committed to reducing our greenhouse gas emissions and to protecting and supporting biodiversity.

As part of that commitment, in 2024 we set ourselves a target of reducing our greenhouse gas emissions from energy, water and waste by 30% before the end of 2030.
We are pleased to report that as of 31st December 2025, we have achieved a reduction of 5%.
We know that there is more work for us to do and in 2026 we are implementing a number of new initiatives throughout our operation to help us achieve our 2030 goal.
We encourage our valued guests, staff and visitors to support us by following the reminders we have provided throughout the hotel about saving water and energy, as well as minimising waste.
We are starting fundraising activities where our staff aims to achieve our goal of raising € 500,00 for El Capitan Animal Shelter before the end of 2025 with a donation box on the reception desk. This shelter plays an important role in supporting stray and abused animals in our community. Thanks to donations from our guests, we were able to meet this
target.
In 2026 our focus will be on supporting a community project where we support children's sustainability trainings within our kids club.

We have set a goal of implementing at least 10 trainings and our staff will be initiating a beach clean-up with our guests.
.
Aldiana Club Fuerteventura has committed to respecting and protecting human rights. We believe that everyone should be
treated fairly and with respect. As part of this commitment, we regularly train our staff about preventing discrimination.
We are also commitied to safeguarding the welfare of children and young people. We have a policy of always reporting suspected instances of child exploitation and abuse to the police.
We encourage our guests, staff and visitors to report their own concerns about child exploitation and abuse to the local police by calling 112.

Wenn Ihr Fragen habt, zögere nicht, uns diesbezüglich zu kontaktieren.
